

Cone Spray Nozzles

LURMARK® HollowTip 80°

The Lurmark HollowTip range is specifically designed for the application of fungicides and insecticides. Can also be used as a band spray and with knapsacks.

- Produces finely atomised spray droplets – ideal for ear targeting or good foliar coverage
- Operates over spray pressures of 3 to 6 bar
- Simple two-piece construction, simply separated for ease of cleaning
- Fits in Lurmark and other popular hollow cone caps
- Precision moulded in tough and durable polyacetal with spray angle tolerance of +/-5%

* Use chart to determine height from target to provide desired band width.
